### **Download Architectural Graphic Standards, 11th edition**

When the 11th edition of Architectural Graphic Standards (AGS) was released in 2007, drafting was already part of the architectural professionâ€™s dinosaur past, and the efficacy of a \$250 book to help guide a new era of professionals into the future was questionable.

### **Too Close for Comfort: A Look at Architectural Graphic**

Since 1932, the ten editions of Architectural Graphic Standards have been referred to as the "architect's bible." From site excavation to structures to roofs, this book is the first place to look when an architect is confronted with a question about building design.
