Accounting careers afford ambitious professionals a wealth of career possibilities. Even in challenging economic times, accountants typically enjoy a strong job market, and starting salaries are usually among the top salaries offered to college graduates.

### **Department of Accounting and Information Systems | Eli**

Business continuity planning (or business continuity and resiliency planning) is the process of creating systems of prevention and recovery to deal with potential threats to a company. In addition to prevention, the goal is to permit ongoing operation, before and during execution of disaster recovery.
