The Faculty of Arts, Creative Industries and Education (ACE) brings together three highly successful and vibrant disciplines that are well-established within the University of the West of England.

Faculty of Arts, Creative Industries and Education - UWE

Substantive focus and practice. Social anthropology is distinguished from subjects such as economics or political science by its holistic range and the attention it gives to the comparative diversity of societies and cultures across the world, and the capacity this gives the discipline to re-examine Euro-American assumptions.

Social anthropology - Wikipedia

This chapter discusses the meaning and key characteristics of developmental social work. It traces its history and examines its theoretical concepts and key practice interventions.

Theory and Practice of Developmental Social Work - Oxford
