Orientation is an important start to your experience as a new student at Smith. The week before the start of
classes, all first-year, transfer, visiting/exchange students and Ada Comstock Scholars gather to learn about
the college and get to know each other. All new students are expected to participate fully in the entire
Orientation program.

Education in South Korea is provided by both public schools and private schools. Both types of schools receive funding from the government, although the amount that the private schools receive is less than the amount of the state schools. In recent years, Incheon Global Campus (with start-up support) has kick-started, and Yonsei University opened an international college to embrace the full ...
