

human resource management 13 pdf

Human resource management (HRM or HR) is the strategic approach to the effective management of people in an organization so that they help the business to gain a competitive advantage. It is designed to maximize employee performance in service of an employer's strategic objectives. [need quotation to verify] HR is primarily concerned with the management of people within organizations, focusing ...

Human Resource Development - PgDip / MSc | London South

The development of mainstream human resource management (HRM) theory has long been concerned with how people management can enhance performance outcomes. It is only very recently that interest has been shown in the parallel stream of research on the link between employee engagement and performance, bringing the two together to suggest that engagement may constitute the mechanism through which ...

1.. Introduction Since a group of McKinsey consultants coined the phrase the War for Talent in 1997 (see Michaels et al., 2001, Axelrod et al., 2002), the topic of talent management has received a remarkable degree of practitioner and academic interest. This relatively recent emphasis on talent management represents a paradigm shift from more traditional human resource related sources of ...
