Legend is a genre of folklore that consists of a narrative featuring human actions perceived or believed both by teller and listeners to have taken place within human history. Narratives in this genre may demonstrate human values, and possess certain qualities that give the tale verisimilitude. Legend, for its active and passive participants, includes no happenings that are outside the realm of ...

If Judyth Vary Baker is telling the truth, it will change the way we think about the Kennedy assassination. Judyth offers an account that integrates much that has been written about the assassination into a more or less coherent whole, and puts myriad facts about the assassination in an entirely new light.
