The Greek educational system is mainly divided into three levels: primary, secondary and tertiary, with an addil post-secondary level providing vocational training. Primary education is divided into kindergarten lasting one or two years, and primary school spanning six years (ages 6 to 12). Secondary education comprises two stages: Gymnasio (variously translated as Middle or Junior High School ...

This is a list of video game publisher companies. A video game publisher may specialize in only publishing games for developers, or may either have in-house development studios or own subsidiary development companies. Some developers may publish their games themselves.. This list includes both active and inactive companies. Active publishers are either run independently or as a subsidiary of ...
