Physical Therapist Assistant | Delaware Technical

Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training, and scope of practice. Nurses practice in many specialties with differing levels of prescription ...

Nursing - Wikipedia

Unlicensed assistive personnel (UAP) is a class of paraprofessionals who assist individuals with physical disabilities, mental impairments, and other health care needs with their activities of daily living (ADLs). UAPs also provide bedside careâ€”including basic nursing proceduresâ€”all under the supervision of a registered nurse, licensed practical nurse or other health care professional.

Unlicensed assistive personnel - Wikipedia

Diploma Program. Practical Nursing Studies is a diploma program which prepares you for a career as an essential member of the health-care team. Practical Nursing education is the means by which individuals acquire the knowledge and skills necessary to function at the direction of a registered nurse and/or licensed physician or dentist.
