The bard is a standard playable character class in many editions of the Dungeons & Dragons fantasy role-playing game. The bard class is versatile, capable of combat and of magic (Divine magic in earlier editions, arcane magic in later editions). Bards use their artistic talents to induce magical effects. The class is loosely based on the special magic that music holds in stories such as the ...

How's Life? 2017 charts the promises and pitfalls for people's well-being in 35 OECD countries and 6 partner countries. It presents the latest evidence from 50 indicators, covering both current well-being outcomes and resources for future well-being, and including changes since 2005. During this period there have been signs of progress, but gains in some aspects of life have been offset by ...
