THE KRIZNER GROUP is a full service law firm that concentrates its practice in assisting organizations both before and after disputes arise. The Firm's preventative services division aids clients in implementing policies and procedures that will help avoid costly lawsuits and other organizational problems before they occur.

### **Welcome - The Krizner Group**

In chemistry, resonance is a way of describing bonding in certain molecules or ions by the combination of several contributing structures (or forms, also variously known as resonance structures or canonical structures) into a resonance hybrid (or hybrid structure) in valence bond theory.
