Debate is a process that involves formal discussion on a particular topic. In a debate, opposing arguments are put forward to argue for opposing viewpoints. Debate occurs in public meetings, academic institutions, and legislative assemblies. It is a formal type of discussion, often with a moderator and an audience, in addition to the debate participants.

Introduction. Fundamental to any consideration of citizen engagement in policymaking and the design of public services is the recognition that the citizens in a democracy have both rights and duties, and that democratic governance provides opportunities for citizens to participate actively in shaping their world.
