"We process around 550 Client Statements each month from our accounting software which was lacking an automated document delivery feature. With PDF-eXPLODE's ability to link to most business software, we were able to quickly convert from the old cumbersome method of printing, sorting and mailing to a simple painless electronic process.

General-purpose issue exports sharing customer-facing document archiving. The issue-fo.vm template exports one or more issues to straight-forward PDF documents. It offers you several configuration variables to choose what to include in the PDFs. The visual design is intentionally kept on the bare minimum, so that the emphasis is on your content, not on the "chrome" around it, although you can ...
