Florian Beigel, who has died aged 76, was a hugely influential teacher and architect. For over 40 years the Architecture Research Unit, his studio at London Metropolitan University educated successive generations of architects both directly and vicariously, through his compelling lectures, writings and drawings, its numerous, beautiful publications, and via a small but important body of built ...

A toolbox for analysing political texts. Discourse analysis is a useful tool for studying the political meanings that inform written and spoken text. In other posts, I have provided a quick video introduction to the topic, and have discussed the ideas behind discourse theory, the main questions that students and researchers will likely ask as they set up their discourse analysis project, and ...
