Before I get into the meat of this post, I just want to say that I am humbled, truly humbled, you have chosen to visit our little corner of the sports blogosphere to read what I have to say.. Or am I? Well, if I were to use the phrase "I am humbled" like we hear so many athletes and public figures use it, then yes, I suppose I am actually humbled that by virtue of you reading these words ...

Innovation in its modern meaning is a "new idea, creative thoughts, new imaginations in form of device or method". Innovation is often also viewed as the application of better solutions that meet new requirements, unarticulated needs, or existing market needs. Such innovation takes place through the provision of more-effective products, processes, services, technologies, or business models ...
