

study guide notes pdf

Website overview: Since 1996 the Study Guides and Strategies Website has been researched, authored, maintained and supported as an international, learner-centric, educational public service. Permission is granted to freely copy, adapt, and distribute individual Study Guides in print format in non-commercial educational settings that benefit learners.

Study Guides and Strategies

Study guides can be broad based to facilitate learning in a number of areas, or be resources that foster comprehension of literature, research topics, history, and other subjects.. General topics include study and testing strategies; reading, writing, classroom, and project management skills; as well as techniques for learning as an adult, with disabilities, and online.
