Modern history, the modern period or the modern era, is the linear, global, historiographical approach to the time frame after post-classical history. Modern history can be further broken down into periods: The early modern period began approximately in the early 16th century; notable historical milestones included the European Renaissance, the Age of Discovery, and the Protestant Reformation.

Initially, the Jews of Palestine thought it best served their interests to cooperate with the British administration. The World Zionist Organization (founded 1897) was regarded as the de facto Jewish Agency stipulated in the mandate, although its president, Chaim Weizmann, remained in London, close to the British government; the Polish-born emigrator David Ben-Gurion became the leader of a ...
